BRAND GUIDELINES

VERSION 1.0 · OCTOBER 2026

7EQX. Studio

The rules behind how we look, sound and show up.

01 LOGO 02 COLOUR 03 TYPOGRAPHY 04 LOGO USAGE 05 VOICE & SOCIAL

01

Logo

Fast, heavy and slanted. The TEQX. wordmark carries motion in its shape, and the dot closes it with confidence. Always use the supplied files and never redraw it.

Primary lockup

Our default signature. Use the full-colour version on white or light backgrounds, and the white-text version on dark ones.

Wordmark only

TEQX. without Studio, for tight spaces: avatars, favicons, stickers and small formats where the full lockup would be too small to read.

Clear space and size

Keep space equal to X, the diameter of the dot, on every side. Minimum width: 120 px or 30 mm for the lockup, 80 px or 20 mm for the wordmark.

02

Colour

One loud blue, pulled straight from the logo, held up by deep ink and quiet neutrals. Let the blue do the shouting and keep everything else calm.

PRIMARY

Teqx Blue

HEX #0B63CE
RGB 11 / 99 / 206

The logo, key shapes, buttons and links. White text on it passes AA (5.7:1).

Ink

#0E1118 · 14 / 17 / 24

Dark backgrounds and headlines.

Deep Blue

#063A82 · 6 / 58 / 130

Depth, hover states, gradients.

Sky

#5AA2F0 · 90 / 162 / 240

Accent, and small text on Ink (7:1).

Mist

#EAF1FB · 234 / 241 / 251

Light panels and section fills.

White

#FFFFFF · 255 / 255 / 255

Main page background, space to breathe.

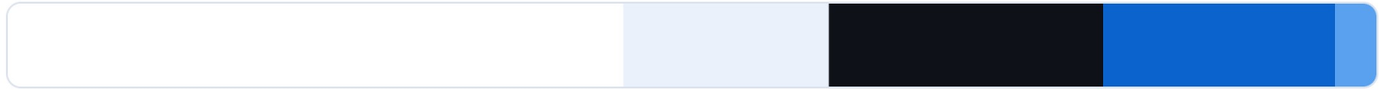

Slate

#3F4859 · 63 / 72 / 89

Body copy on light backgrounds.

SUGGESTED BALANCE

BLUE ON INK IS FOR LARGE TYPE ONLY (3.3:1)

03

Typography

Headlines lean forward like the logo. Body text stays upright and easy to read. Both families are free on Google Fonts.

HEADLINES — ARCHIVO · ITALIC 800 / 900

Aa

Make the next move before anyone else does.

ABCDEFGHIJKLMNOPQRSTUVWXYZ 0123456789

Use for titles and key statements. Tight line height (1.0 to 1.1), slight negative tracking, sentence case. Italic only, never regular, so it always echoes the logo.

BODY — INSTRUMENT SANS · 400 / 500 / 600

Aa

We plan, build and ship marketing that moves. Clear sentences, short paragraphs and generous line spacing keep every message easy to read.

HIERARCHY

Headline	Archivo Italic 900 · 40 to 120
Subhead	Archivo 600 · 20 to 32
Body copy	Instrument Sans 400 · 15 to 18

04

Logo usage

Pick the version that gives the strongest contrast with its background. If none of them reads clearly, change the background, not the logo.

USE ON

Full colour on white

Full colour on Mist

White-text version on Ink

All-white on Teqx Blue

NEVER

Stretch or squash it

Rotate or tilt it

Change the colours

Place it on low contrast

Add shadows or effects

05

Voice & social

How we write, and how the brand looks where people meet us first.
Text in square brackets is a placeholder for you to fill in.

Bold	Lead with the point. Strong claims, backed by the work.
Fast	Short sentences. No warm-up paragraphs.
Precise	Specific beats vague. Numbers and names beat adjectives.
Friendly	Plain words, no jargon. We sound like a sharp teammate.

WE SAY

“Here’s what we’d do next.”
“Done. Here’s the result.”
“Let’s get it moving.”

WE AVOID

“Synergy-driven solutions.”
“We are passionate about…”
“Leveraging holistic strategies.”
